

We have brags. FROM THE Reichert - Congratulations to Madison Zuidema

She had pretty much a clean sweep with firsts in walk trot showmanship, w/t HUS, w/t equitation, w/t western pleasure and w/t horsemanship and finished up with the circuit Walk/Trot High Point. WAY TO GO MADISON!!! WHOOHOO!

ApHC Celebration High Points - Junior Horse - Colored In Hollywood, shown by Cecily Zuidema - AWESOME!

In addition to Bethany White's win in western pleasure, we are happy to report she got second in horsemanship and third in hunt seat equitation. This show was a last hurrah before she starts COLLEGE. Will Bethany be cheering for the Noles? The Gators? No - she's going to be screaming "War Eagle" at the football games - she's off to Auburn.

On a more serious note, Lynn and Caroline Lesousky are working diligently to find sponsors for the show. For the low, low price of \$25 you or your farm or your business can sponsor a class. Ribbons, judges, the show complex - they are all expensive and if every class had a sponsor it would go a long way to helping the club cover the show finances. If you want to sponsor a class (and get your name announced) email Lynne at lynsapps@aol.com I'll put your name on the email blast too!

Lyn Halloway reports that her wonderful horse, Simply Spotless, is LEADING the NATION in 2 year old geldings. Terrific!

Don't forget - August 22/23 in Ocala - last weekend to get World qualifying points - showbill at www.cfaphc.com

The World Show schedule is posted at the ApHC website. www.appaloosa.com

If you have news or brags get it to me - and pass this email on to anyone we've missed - I'll put an email sign up sheet in the show office at our next show.

Have an Appy day!
